

BC Hydro Anti-graffiti Beautification Wraps

Presented to Blueridge Community Association

by: Kuhan Milroy

BC HYDRO BEAUTIFICATION PROGRAM

- In partnership with local communities, municipalities and businesses
- Requesters can apply to have BC Hydro boxes wrapped
- Approval for 10 year period
- Requesting party pays for installation and maintenance
- General costs (\$800 - \$1,200)
- Installed by a certificated wrapping company

COSTS & LOGISTICS FOR SMALLER BOXES

- Cost (\$450 - \$550) including ~\$250 for wrap
- Box can be washed for \$30-\$50 extra
- Typically do not require maintenance
- 2 weeks notice to install
- BC Hydro sticker can be removed, unit number, shock sticker and warning stickers must be visible or reapplied

REQUESTORS & FUNDING OPTIONS

- Individuals not allowed to be requestors but municipalities and associations may if approved
 - **Blueridge Community Association approved!**
- In general, paid for by requestor
- BC Hydro does have a fund that can cover 1/3 of the costs with municipality covering the rest.
- Apply by October 1st, approved by January 31st with 12 months to start project and 12 months to finish from start date

STEPS TO WRAP A BOX

- Contact BC Hydro Community Relations Coordinator to confirm box can be wrapped
- Select a vendor and pick out a pattern or submit your own
- BC Hydro check whether box will require any maintenance in next 10 years (*no guarantees)
- Get written approval from DNV or graphic design
- BC Hydro validate proposed graphic design (mock-ups) and vendor
- BCA to sign wrap agreement
- Contact vendor to begin work
