

May flowers bring spring showers? We didn't have too much rain in April, yet our May flowers are showcasing the beauty of the natural environment in Blueridge. With a dry spring on the books, prepare for [watering restrictions](#) (Stage 1) starting May 15th. The Blueridge Community Association [AGM](#) takes place Tuesday May 10th at 7 pm in the library of Blueridge Elementary School - all welcome. Saturday May 14th is a busy day in Blueridge and surrounding communities: Electronics [Recycling](#) and a Seedling Sale at the Sharing Garden; Parkgate is having [Shred It for a Cause](#); and Mount Seymour United Church is hosting a fun, family-friendly [open house](#). We're social! Follow us on [Facebook](#) and [Twitter](#) to stay current with what is going on in your neighbourhood.

On Monday, April 4 the Blueridge Community Association hosted a special forum to consider the future of the two elementary schools in our community

and the public land associated with them. Over 60 people attended and took part in a lively discussion. We are in the process of reviewing feedback from the event and gathering information before we move forward. There was definitely support for keeping Blueridge Elementary School open. To find out more about the meeting and next steps, please read the email that was sent to attendees [here](#).

Seedlings grown by Sharing Garden volunteers will be sold on a first-come-first-served basis to raise funds for the garden's ongoing work. We will have several varieties of tomatoes, cucumbers, pumpkins and dahlia tubers. We will also be selling packages of seeds and seed potatoes.
