

It's March Madness here in Blueridge. There is rain, but then the occasional day of brilliant sunshine where you will find all of your neighbours out and about - gardening, dog walking, trail running and enjoying nature. Our lawns are looking patchy due to the [Chafer Beetle](#) infestation. All are welcome to attend the Tuesday March 8th Community Association [meeting](#). The latest edition of our print [newsletter](#) should be hitting your doorstep this weekend thanks to the efforts of over 25 volunteers delivering to the 1500 homes in our neighbourhood. The deadline to apply for the [Blueridge Community Scholarship](#) is March 31st. Why not plan a big block party this summer - grant money (up to \$500) is available from the [Neighbourhood Small Grants](#) program. Finally, don't forget to Save the Date for [Blueridge Good Neighbour Day \(#BGND2016\)](#) coming this June 5th, on the grounds of Blueridge Elementary School.

What is your vision of the future of
public lands in Blueridge?

Next Work Day

Saturday, March 12, 2016
10 am — 2 pm

We can plant peas, put up our sign and hopefully will have some soil to fill the beds. Wheelbarrows required!

All ages and abilities are welcome.
Bring gloves, hoes, rakes and shovels if you have them.

The Blueridge Sharing Garden is a project of the Blueridge Community Association. We are located between Carnation and Lytton Streets, directly across from Seymour Heights Elementary.

Come and volunteer at the next Sharing Garden work party. Get inspiration for your own garden, meet new friends, and enjoy working with others. For more info contact garden@blueridgeca.org or visit the Garden's [Facebook page](#).

ARE YOU a parent who would like to share your ideas and insights, gained through your lived-experience

of connecting with mental health and substance use support systems and services, and of navigating the systems of Schools, Hospitals, and/or Community Child & Youth Mental Health Services? The FORCE is looking for Parents living in the North Shore area whose lives have been touched by mental health and substance use challenges to be a part of Local Action Teams.

The CYMHSU Collaborative is made up of children, youth and their families, Aboriginal people, ministries, health authorities, schools, physicians, clinicians and communities. The purpose of the Collaborative is to share our knowledge and experience with the aim of increasing the number of children, youth and their families receiving timely access to integrated mental health and substance use services and to support and document examples and results of the involvement of children, youth and families in decisions related to program design, clinical practice and policy development.

As a family member participating on a Local Action Team, your role is vital and valued, as you represent the voice of those being impacted. You will have the opportunity to share your own experiences, knowledge and insights and to give suggestions as a co-member of your Action Team. Your contribution will help to inform the CYMHSU Collaborative process and speak to the changes need to improve access and care for children, youth and families.

If you are interested in sharing your experience and knowledge with others as part of a team and through collaboration, we invite you to apply for this opportunity. The FORCE will interview, select and support all youth and parents.

Please email **Christie Durnin**, FORCE Director for more information christie@forcesociety.com

Local Trail Walks with Anni

Anni has been leading trail walks in Blueridge for a few years now. Everyone is welcome.

Saturday April 16th at 2:00 pm

Meet at the corner of Sechelt and Whitman. The walk will take 1-2 hours and you will explore the connector trails in the area.

Sunday May 1 at 1:30 pm

Meet at the corner of Berkley Ave and Hyannis Drive for a walk to the Seymour River rock slide. We will be walking on forest trails. Not suitable for strollers. In the event of heavy rain, this walk will be cancelled.
