Welcome to February 2018 Blueridge Bulletin!

Have you had a chance to read the new newspaper on the North Shore, The Global Canadian? There are excellent articles to be found in [this paper on-line](#) or as a hard-copy at the following locations: Ron Andrews Rec Centre (right next to NS news stand) outside Safeway at Parkgate, outside the butcher shop at Parkgate, at the library and the community centre across from the library. It's also available at Deep Cove in a box on the street, on Panorama Drive, Deep Cove Liquor store, Nesters, Pomegranates Grillhouse and Café, and Deep Cove Osaka Sushi.

All Blueridge/Seymour Heights residents will be invited to participate in the 'Dîner en Bleu' which will take place at a secret location in our area on **Saturday, June 2, at 6 PM** to celebrate the 25th birthday of the Blueridge Community Association (BCA)! A

little History: The now famous 'Dîner en Blanc' (started in Paris in 1988) is a worldwide event, spanning six continents, in which people flash-gather in a public space and set up a temporary, chic dining area. Guests come dressed in white to enjoy quality food and wine. Diners are required to provide their own food, tables,

chairs and tablecloths. Only a select number of participants, who have previously signed up are made privy to the location the day of the dinner, and converge in a specific location.

To celebrate our 25th BCA anniversary in Blueridge we decided to put on our own version; Dîner en Bleu! Everyone will be asked to wear something (as much as possible) blue, bring their own food and beverages, and the rest will be taken care of by the organizing committee! More on this new and exciting event in our neighbourhood will be included in the BCA's next hard-copy newsletter - stay tuned and sign up early, as we expect the tickets will sell quickly!!!

UBC students are back in Blueridge! The BCA is partnering again with one of the most prestigious universities in the country. Please welcome a handful of UBC students who will be in Blueridge/Seymour Heights during Reading Week; February 20, 21 and 22. The UBC students will be here to learn about community involvement and initiatives, help out in our Blueridge Sharing Garden, and be involved in a photo or video project in Blueridge. If you bump into young students who would like to interview you about living in our Blueridge community during that period, please take the time to chat with them and have a friendly conversation. It will give these students an opportunity to see what a great community we are, and it will give us a chance to learn what these local UBC students are currently doing!
