It's Summertime! Schools out, kids are everywhere, and vacation time is in full swing. Please take your time and watch out for kids, tourists, and dogs walking around our streets!

*How proud I am of Canada
The country of my birth
Described by other Nations
As the greatest place on Earth*

*My country is diversified
With many sights to see
From the mountains of the Pacific
To the maritimes by the sea*

*In between are the praries
Where the wheatfields grow so tall
While in Quebec is a culture
Not so different from us all*

*And then there is Ontario
Big and very strong*

*Whose strength and wealth
Help carry this great land along*

*In the North we have a presence
Of a people our hearts endear
For they manage to see the brighter side
Of a life most of us would fear*

*There's an Island in the Atlantic
A place called Newfoundland
That is home to a rugged people
And scenery oh so grand*

*And then there are the peoples
Who come from distant parts
Immigrants we may call them
But they're Canadians in their hearts*

*Immigrants is a word that
Describes us to a 'T'
And except for the aboriginals
Our Ancestors came by sea*

*Now some would like to criticize
For in their hearts they cannot see
The beauty of this country
And the fact that we are free*

*You don't have to lose your culture
To live in this great land
Just leave your ethnic quarrels
In your own Birth land*

*You can still enjoy your language
And the customs of your life
For your customs enriches this country
And with that we have no fight*

So be proud of Canada

*The greatest place on earth
And treat it like you would
The country of your birth*

Cruise the Shore

Lions Gate Hospital Foundation will present the 2018 “Cruise the Shore for LGH” fundraising event on [Friday July 20th and Saturday July 21st](#) . The Friday night event will be a vintage car cruise throughout the streets of the North Shore. A pre cruise dinner will assemble at 4:30pm at The Tomahawk BBQ. Owner and restaurateur Chuck Chamberlain has graciously agreed all dinner proceeds from the drivers will be donated to the LGH Foundation. Part of the evening's drive will cruise into Blueridge with a scheduled stop in front of Blueridge Elementary School where all neighbours can go check out the classic cars! Residents are encouraged to attend the Saturday activities in West Vancouver. There will be a cruise route map prepared into an event pullout section of the North Shore News.

Luci Cadman of the North Shore Black Bear Society has shared this reminder:
"Great work from Coquitlam in their efforts to reduce the number of human-

caused black bear deaths. Since 2011 our dedicated volunteers have been active with night-time patrols for garbage at curbside. We are supported by the Bylaw Officer Services in the Districts of North & West Vancouver, who follow up with repeat offenders, issuing warnings & tickets. Together we can help to keep bears wild!" for more information please visit this [Vancouver Sun](#) article!
