

**Happy New Year Blueridge!!**

**What a dreary start to 2019 with the weather we've been having! Hopefully you have all had some time with friends and family over the holiday season! Christmas is over for another year, and soon school will be back in session. I'm sure a few parents can't wait until kids go back to school and schedules return to normal!**

**Be sure to check out the Blueridge Community Associate meeting this month; it'll be a good one with North Shore Rescue! And we couldn't resist adding a family favorite Turkey Soup recipe if you have any leftover turkey stock!**

Our next Blueridge Community Association meetings is taking place at **7pm on January 8** at Blueridge Elementary in the Library ( 2650 Bronte Dr, North Vancouver). **North Shore Rescue** will be making a special presentation that promises to be very interesting! Come join us, all neighbours are welcome! We hope to see you there.

Our friends at Cool North Shore are prepared to come back to Blueridge/Seymour Heights if anyone is interested in having thermal imaging done to their house.

The program is free, but due to the high costs of the equipment, donations between \$30 and \$50 are suggested.

This will probably be done on a Saturday at the end of January or early February, if there is sufficient interest (a handful of participants).

Please contact us at [info@blueridgeca.org](mailto:info@blueridgeca.org) in case you are interested in this!!

## Turkey Soup

Turkey leftovers still in your fridge or freezer? This is our go to recipe in my family. Use leftover turkey or ground turkey, either will work.

1 lb left-over turkey or ground turkey

1 onion chopped

1 c chopped celery

3 c mixed frozen veggies

1 can of creamed corn

2 c cubed or grated potato

6 c chicken or turkey stock (can also use 1 carton of Campbell's chicken stock with 2 c water)

1 tsp salt

¼ tsp paprika

¼ tsp ginger

1 tbsp dry parsley

In a big soup pot saute the onion, celery, and ground meat together if using ground turkey. Add the rest of the ingredients to the pot and bring to a simmer. Cook for about 1 hour. Serve with a loaf of crusty bread or cheese biscuits!

Stairs are finished at the top of Riverside!

Checked out the new crossing yet? The long awaited new Seymour Bridge is open... and the trails are busy as people flock to the area to check it out!
