

Happy Fall everyone! While this image was used for the last November issue as well, it is so cute it was begging to be used again! With halloween (and the election!) behind us, we can now look forward to upcoming fall frenzy as the holiday events start! There is **NO BCA MEETING** this month. More on that in an upcoming issue. Read on for some local news and enjoy the crisp autumn air!

NO BCA MEETING THIS MONTH!!!

Support Local!

Babysitters, Housesitters, Petsitters, Unite! Did you know we have our very own community babysitting board? Visit our Blueridge **Sitter Directory** and select from the list of candidates for your next childcare/petcare/homecare needs! If you'd like to have your name added to our list, or even removed, you can email us at sitter@blueridgeca.org. Please note that The Blueridge Community Association is providing this babysitter directory as a service for Blueridge Residents only. We have not "vetted" the information provided by the babysitters.

‘Project Community’ Continues!!!!

One of our former directors, Alberto Trujillo González, suggested a while back that we should embark on what he called ‘Project Community’. In short, this means that we offer something that many residents would like to participate in.

We have done it for cleaning of fireplaces and furnaces for the last number of years, and we also offered the possibility for the BC Hydro box wrap. Earlier this year we offered gutter cleaning for the first time, which went well.

With the weather getting colder we should all focus on our furnaces and fireplaces – is anybody really dying to host a Christmas dinner when the furnace is not working? We believe that by offering a certain number of residents we can obtain better prices, and our regular service provider loves the fact that the service crew can work all day in Blueridge/Seymour Heights without having to spend hours on the North Shore going from job to job and being stuck in the infamous and unproductive North Shore traffic jams. Environmentally this is also the right thing to do.

If you are interested in participating in this local project please contact the BCA (info@blueridgeca.org) by November 10, and we will coordinate this for mid-November.

In addition, by doing this before November 30, the participants will also be eligible for the Fortis BC rebate for furnaces and fireplaces (\$25 each).

Our service provider's prices are \$79/furnace, \$99/fireplace, \$119/heat pump and \$199 for vents subject to GST, but also subject to 10% group-rate discount, because we expect more than 10 local participants.

We continue to look for NEW projects. What else can we work on to the benefit of Blueridge/Seymour Heights residents? Painting? Garden work? Bulk purchases (solar panels anyone?!)?

If you have any suggestions and great ideas, please let us know!

Isn't this a cool community concept? A local street "lending library!" There is also one available at the "blueridge garden" (formerly known as the "sharing garden") on Carnation. Have extra books? Donate there! Want a book? Pick through and help yourself!

November 11, Remembrance Day falls on Monday this year. While there will be many services and events taking place all across [Metro Vancouver](#), here are three local events:
