

Dear Blueridge Families and Community Members,

We are excited to share an important project our school community is working toward: the creation of an inclusive playground with a rubberized surface at Blueridge Elementary.

Playgrounds are more than places to play, they are spaces where children build friendships, confidence, imagination, and connection. Our goal is to create a playground where every child feels welcomed, included, and able to participate alongside their peers.

We are grateful to share that the school district has already awarded funding toward this project. To help bring the playground fully to life, we are now launching a short community fundraising campaign with a goal of raising \$25,000 by June 12, 2026.

We are reaching out to families, friends, alumni, neighbours, and community supporters to help make this vision a reality. Every contribution, no matter the size, brings us one step closer to creating a space that will benefit children and families in our community for years to come.

Ways You Can Help

- Make a donation
- Share our fundraiser with family and friends
- Ask your workplace about sponsorship or donation matching
- Help spread awareness within the community

Donation Information

- Online donations: [Click here to Donate](#) or scan the QR code Below

Tax receipts will be received upon donation, and every donation will be recognized!

If you have any questions please don't hesitate to reach out to Amanda Guest, President of the Blueridge PAC, at bpacblueridge@gmail.com.

We are incredibly thankful for the support and generosity of our community. Together, we can build something truly meaningful, a playground where every child belongs.

With gratitude,

Blueridge PAC
